

What is Baby Care Hope?

Healthy Opportunities-Pioneers Enrichment

Babies and families living in our community lack diapers and other necessities. As a mission of the Pioneer Presbyterian Church in Marinette, Baby Care Hope is a ministry of love to underprivileged babies and their families in Marinette and Menominee County.

We are open on Wednesdays from 11 a.m.-2 p.m. for clients to come to pick up their diapers. Clients can come once a month for up to age one. As more and more people hear about Baby Care Hope, we'll receive more and more donations of nice items.

When picking up diapers, clients can choose baby items in our "complimentary area".

Our History

Baby Care Hope began serving newborn babies in need and their families in Marinette and Menominee Counties in the fall of 2022 by offering diapers, on a referral service, other baby necessities, a Bible, and a heartfelt invitation to our church. To help with increasing needs, we receive diapers and wipes in bulk. Families are referred to our program by WIC and Salvation Army.

Here is what parents have said about Baby Care Hope:

"Having twins and on one income, Baby Care Hope has helped a lot. I'm so thankful for the diapers, wipes and other baby items."

"Our family is incredibly grateful for the Baby Care Hope Diaper Mission. Being a one-income family, things are very tight... Allowing our child to receive diapers for a whole year has put our minds at ease a bit. This is a portion of our budget that we can now put toward other needs that she has."

"Our son was born with an unknown heart condition; we ended up in the NICU and had a lot of extra expenses and doctor's appointments. The monthly gift of diapers was a tremendous blessing to our hearts and budget. The ladies were welcome and kind. I pray this program continues to be able to bless other families."

"As a full-time parent, full-time worker, full-time mom, my plate is full as it gets! The kindness and generosity of the ladies at Baby Care Hope has made life so much easier. This is a vital service for low-income families such as my own. Every little bit helps more than they ever know, and the smiling faces are always a plus! I plan to pay their kindness forward by donating my son's clothes and toys as he grows. Thank you Baby Care Hope and Pioneer Presbyterian Church for your support to moms like me."
